

The True Nature of Antichrist

" Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time."

-1st John 2:18

Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition.

-2nd Thessalonians 2:3

"No person shall preach without the permission of his Superior. All preachers shall explain the Gospel according to the Fathers. They shall not explain futurity or the times of Antichrist!"

猶ope Leo X, 1516

The following excerpt comes from "The Popes of Rome" by Ronald Cooke, pp.37-40--

"It is now popular to set forth the idea that the Antichrist is a secular monster. In this way, every religious person in the United States [and the world] can then be vociferous in his condemnation of such a person. Muslims, Jews, Roman Catholics, and Protestants can all join in condemning such a rascal."

"Mystery Babylon...is the cage of EVERY false religion. False religions cannot be against Antichrist for they are antichristian. They are part and parcel of Antichrist."

"It is interesting to note that Pacelli who was later to become Pope Pius XII, according to Martin, "in forty out of forty four addresses as papal nuncio, Pacellii inveighed against Antichrist and warned of a gigantic struggle about to begin between Satan and Jesus for the soul of Europe and the souls of men."

"Pedro Arrupe, the former head of the Jesuits, also warned about an atheistic antichrist which was arising in the western world. Roman Catholic spokesmen, from the pope on down, have warned about a coming atheistic monster out to control the world, for this has been the Roman Catholic teaching on Antichrist for centuries."

"In the United States, Jews and Muslims seldom say much about their views on the subject of Antichrist. However in their religious writings the issue of Antichrist is addressed."

"...This is why a secular antichrist appeals to so many today. A secular antichrist does not pit Jew against Christian, or Muslim against Jew. It does not pit Roman Catholic against Protestant nor Protestant against Roman Catholic. If Antichrist is a secular atheist then all good religious people can oppose such a monster and retain their good ecumenical spirit at the same time. The secular atheistic Antichrist is the antichrist of Ecumenism."

"Whereas the very name anti- Christ shows that the Beast of Revelation is not anti- Jew, he is not called anti- Mohamed, he is anti- Christ. The antichrist is the LEADER of all false religions, not the opponent of them. Lenski the old conservative Lutheran scholar wrote the following about Antichrist:

This is an apostasy. It is therefore, to be sought IN the church visible and not OUTSIDE of the church in the pagan world, in the general pagan moral decline, in Mohammedanism, in the French Revolution, in the rise and spread of Masonry, in Soviet Russia, or in lesser phenomena. We should not confuse the little antichrists with the great Antichrist, the antichrists OUTSIDE of the visible church with the great Antichrist INSIDE of it. (emphasis his)

"The Man of Sin is an arch-deceiver. His main deception is to make people think he is the true Christ. He is antichrist, the one who tries to take the place of Christ. It is not the radical difference from Christ which the secular view of Antichrist emphasizes, rather it is the CLOSE resemblance to Christ which the Bible depicts, which should instruct the Bible-believer.

"This Man of Sin works pseudo-miracles, signs and wonder. He is a religious man and a veritable Christ to those who are deceived by him.

"This is what the popes of Rome have done for centuries. They have sought to replace Christ. By deception and confusion they have effectively opposed Christ as well. They are still masquerading as the Vicar of Christ today, and multiplied millions fall down before them as Mark McGuire did recently in St. Louis, abjectly kissing the ring of the great imposter."

"...I scoff at the notion that anyone other than a pope could be the antichrist."

✠F. Strojic, a conservative Roman Catholic scholar in, Last Days of the Catholic Church, 1978, p. 3, (self-published).
